WHO WE ARE: Our organization has been an FMCA Chapter since 1991. TGO Ambassador Members are active RVer's who enjoy attending Rallies with Socials and Activities. You can visit our website at www.TGOAMB.com to look at some of our previous Rallies and also view the upcoming Rallies and Events.

HOW WE OPERATE:

- Application and Annual Chapter Dues are \$40.00 per coach and are payable at the time of enrollment and then due January 1 of each successive year.
- We hold monthly meetings at the TGO Manor on the 4th Monday of the month, October-April, at 4:30p.m. A reminder will be emailed by our secretary a week before the meeting. At the conclusion of our business meeting, we provide a light meal for members and guests in attendance. We do request that you e-mail our President, Bob Nebel at Ambassadors@tgoamb.com or call him at 321-626-1290 and let him know that you will be attending the meeting for food planning purposes. Members and guests are invited to BYOB. Our meeting date and time are also available on the Home Page of our website – www.TGOAMB.com.
- Our Rally Committee is always busy planning wonderful Rallies for the TGO Ambassadors. Enclosed with this letter is our Rally Summary Document for the 2024-2025 season. Current versions of these documents are emailed to members prior to the current month's meeting and these documents are also located on our website for viewing there as well.
- We use the terms: **Planning** (Not ready to book yet); **Open** (You can currently sign-up); **Closed** (All reservations have been filled) and **Waitlist** (The Rally is full, but you can be added to a Waitlist).

- Once a Rally is set to the **Open** Status you can contact the Host to let them know that you are interested in attending the Rally and discuss any questions you may have about the Rally. **You are not considered part of the Rally until you call the campground directly – indicate that you are part of the FMCA Rally and make your confirmed reservation or have a confirmed reservation with the rally host reservation list. Please contact the Host via Email if you have paid for a one-night visit with the RV Resort that the rally is being held at, so it can be updated on their rally list.** From this point forward you will be kept informed of activities and timelines surrounding the rally with respect to events and the itinerary.
- Our Rallies are also listed in the TGO Happenings under Community Information & Notices and our meetings are under Activities-All Year & Seasonal. Our meeting date and time are also available on the Home Page of our website www.TGOAMB.com.
- We proudly offer a selection of clothing with the TGO Ambassador Logo. Items for sale are displayed at our monthly meetings for purchase in the sizes, styles, and colors available at that time. Teri Henry handles the clothing line and can work with you to order items that we may not have in stock. Items for sale may also be viewed on our website www.TGOAMB.com however, we do not have online sales at this time.
- Name Tags with our TGO Ambassador logo are also available from Teri Henry. We have a nametag order form that needs to be filled out. Pre-payment in advance is necessary for Teri to place the order. Our membership roster with members current e-mail and phone numbers is included with this packet. It will help you identify friends and neighbors who are in the Club.

Your Board of Directors and TGO Ambassador Members would like to Welcome you, we are so glad you have become a part of the TGO Ambassadors Club. Please do not hesitate to contact any of the above Board Members or Teri Henry if you have any questions or concerns.

Sincerely,

Your Board of Directors
